Summer Programming for Kids

Our Children's Ministry Coordinator, Kenna Szymanski, has exciting news for our children's programs for the summer. During fellowship after worship, we will be having a moment for our children to learn about the sermon they listened to in a way that makes more sense to

them. This means, that we will be playing!! Through her experience working with children she finds that they learn best, and retain more if how they are learning is exciting and hands on. So in the next few week, we encourage families to stay, have some coffee, and let your children learn and grow in faith!

Birthday Celebration for Those Turning 85

1933 was a very good year! If you were born in 1933, or are or will be 85 years old this year, mark your calendar for a sharing and fun time with your peers. Gather on *Thursday, June 21st at 11:00 am* at 511 Windsor Forest Drive, Altoona. Call Florence at 715-839-0749 if you will join us. Let's celebrate together!

Get Started Going Green

The start of June marks less than five months to the All-Church Bazaar. *October 20th - 21st* will be our fund raiser for local and global missions. One of the many great things available to buy at the event is green plants. Now in the time to do cuttings and get them started as healthy specimens. Perhaps you have already been playing in the flower beds or putting in a garden. Would you extend that green thumb into small pots of soil and rootings? African violets, spider plants, or money plants are good sellers. A variety of indoor plants will help us reach our sales goal of this annual event. Thank you!

Appreciation . . .

The Community Table

A big thank you to a great team who prepared and served for a crowd of hungry Eau Claire residents Wednesday, May 30th. Thanks to the following people ready with their actions to share love with their neighbors in need – Margo Bolton, Jan Smith, Mary Rose Howard, Kathy Gierhart, Kirsten Gierhart, Mary Kay Francis, Jerry and Katie Kroll, Judy Sheu, Toni Kruse, Pat Peterson, Lon Piper and Bonnie Hennig-Piper, and Chris Draxler.

Mark your calendar, Lake Street serves again on *Friday, June 22nd, 9:00 am to 1:30 pm*.

Red Cross Blood Drive

Did you know that the blood drive held at our Lake Street UMC is the largest and most productive blood drive in the whole Chippewa Valley? That is truly something to be proud of and we hope this tradition continues for a long time. It is not just because of the work of the coordinators, Linda Keepers and Mary Rose Howard, but also because of the help and support of many people. So a big thank you is going out to Cheryl Kreitlow, Kathi and Tom Jewell, Marlene Arntson, Kathy Gierhart, Brian and Kirsten Gierhart, Corinne and Ron Gjerning, Judy Proett Bell, Jean Fritts, Winnie Doxsie, Linda Peterson, Pat Peterson, Bonnie Wright, Veronica Marshall-Potter, Barb Nelson, Steve Blashford, Dick Keepers, Heidi Waterstraat and even six-year old Violet Stevens who wanted to help pass out water and juice to our wonderful donors.

These great people helped by manning the registration table, donating food items for and working in the canteen, cleaning the kitchen afterwards, setting up the tables and chairs for the drive and then getting the Fellowship Hall back in order again. Many hands make light work!

As for the numbers, we had 75 presenting donors with a total of 78 units given. The goal the Red Cross set for us was 71 units of blood and we surpassed their expectations by seven units! Awesome job everyone and a big thank you to all.

Remember, the need for blood is constant, the gratification is instant so please mark your calendars for *Tuesday, December 4th* for the next blood drive at Lake Street.

Greeting Cards Needed

Pat Henderson is in need of greeting cards that she uses to send out for United Methodist Women. If you have some to share, put them on the stand outside the church office door with Pat's name on them and she can pick them up when she is at church. Thank you!

Loose Change Sunday, June 17th

Contributions received during the upcoming June Loose Change Sunday will be used to support the Day of Mission to be held October 13th.

In the past we have built ramps to make homes wheelchair accessible, painted, pulled weeds, trimmed trees, planted flowers and shrubs, helped organize food and clothing pantries, and often just been someone who was willing to listen and share a hug.

We look forward to your support of this local missional opportunity.

Chippewa Valley Day of Mission

After taking a year off, the Chippewa Valley Day of Mission team is in the process of planning a *workday for this fall*. The date will be Saturday, October 13th. This is a wonderful opportunity to spend a day together as a family, to meet other members of our Circuit church family, and to lend a helping hand to our neighbors in the Chippewa Valley area. For more information, please contact Jeanene Thomas-Fedie at fediefamily@att.net.

Volunteers Needed . . .

Volunteer for Worship Roles This Summer

Organizing all the different volunteer rolls involved in Sunday morning worship is a little different during the summer. Those roles include: usher, greeters, communion server, key grip and preschool volunteer.

It's different in the summer because we never know who is going to be here on any given weekend – sudden trips happen a lot during this season – so

we end up just looking around to see who's here and recruiting them to serve. It's a little loose, but this is also a great opportunity.

If you would be interested in learning the ropes in a role that would help your church, talk now to Chris Draxler or Pastor Jerry, or just go up to volunteer on Sunday. We will find a place for you.

Tech Assistant Volunteers Needed

Logan Wallace runs our tech center on Sundays, during which time he sets up the computer for the live Facebook feed, runs the sound board, films the service, and runs the Power Point on the screen. Now this is actually quite simple for Logan, because he has four hands and two heads, but ... oh wait! Really, he has the normal number of both! So he could really use some volunteers to work with him and take some of that off his hands. Talk to Logan ahead of time, or just go up on Sunday and volunteer for some on-the-job training.
